Review of bids by the Town shall take into account each bidder's references as well as the bid price submitted. The Town may require submission of additional information as it deems necessary or appropriate to evaluate the bids.

No award shall be made to any bidder who cannot satisfy the Town that it has sufficient ability and experience to enable it to successfully complete the work within the time named. The Town's decision or judgment on these matters shall be final, conclusive, and binding.

No protests regarding the validity or appropriateness of this invitation for bids or of the project specifications shall be considered unless said protest is made in writing and submitted to the Town Administrator prior to the date for the submission of bids. Should a protest be rejected or disallowed, an appeal may be made provided said appeal is filed in writing with the Board of Selectmen within two (2) business days of the decision.

The Town reserves the right to accept or reject any or all bids received, to waive any formalities if it is in the best interest of the Town to do so, and to make an award as the interests of the Town require.
